FACULTY OF ARCHITECTURE

DREAM · THINK · EVOLVE
IT WORKS @ FOA

#FOA_CONNECT

FUTURE FOCUSED

Conveniently located in the Central Business District, campus is powered by a fleet of buses which takes care of the transport which saves a lot of travel time in a metro city.

ABOUT FOA

FOA owes its unique character to a combination of factors some historical, some geographical, some cultural and some architectural. An important influence in this respect is the close contact between students and their lecturers, in surroundings that foster fellowship and learning. Student sizes in Studios and Classrooms mean more personal attention and encourage greater involvement of students in their work.

GLOBAL REACH

Be part of a vibrant community of students, alumni and academics with strong ties to industry, research and leading practices in and around Chennai.

WHY US?

A CAMPUS @ THE HEART OF THE CITY.

Conveniently located in the Central Business District campus is powered by a fleet of buses which takes care of the transport which saves a lot of travel time in a metro city.

LEARN FROM THE BEST

Our Faculty members are industry-experienced professionals who channelize professional and personal development of our students.

CONNECT

A well networked connect with industry experts, practicing architects, academicians put us at a horizon with cutting-edge research that inspires headlines.

TRANSFORMED TEACHING

FOA believes in creating dynamic relationships between teachers, students, and a shared body of knowledge to promote student learning and personal growth headlines.

typology of Events to enrich the curriculum and give
the best learning experience to our students.**

CURRICULUM ENRICHMENT

CAREER DEVELOPMENT AND PLACEMENT DRIVE

L & T EDUTEC

Our students are networked with L&T College-Connect that bridges the gap between industry and academia by providing application-oriented courses developed by industry experts & academicians. The applied courses and 'collaborative learning' experience will give a great platform to up the graduate architects to meet the ever-evolving industry and to enhance their skill sets.

CAREER DEVELOPMENT

Our university career development cell initiatives for final year students helps from earning another degree, architects can advance their careers by pursuing certificates and certifications, participating in in-person or Online training and attending seminars.

Heriot - Watt University - UK
Columbia University, USA
University of Colorado, Denver
SPA , Vijayawada.

SALARY PACKAGE

B.ARCH - 12 TO 15 LAKHS PER ANNUM
M.ARCH - 30 TO 40 LAKHS PER ANNUM

RURAL STUDY - KUMBAKONAM

The Rural Studio is to enable each participating student to cross the threshold of misconceived opinions to create/design/build and to allow students to put their educational values to work as citizens of a community.

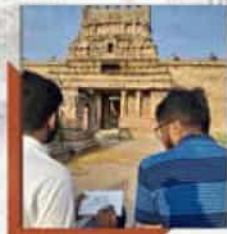

The Rural Studio seeks solutions to the needs of the community within the community's own context, not from outside it. Abstract ideas based upon knowledge and study are transformed into workable solutions forged by real human contact.

RURAL STUDIOS @ FOA

- MADHURAMANGALAM, KANCHIPURAM - BATCH 2017 TO 2022
- DAKSHINCHITRA, MUTTUKADU - BATCH 2020 TO 2025
- KOVILUR, VANDAVASI - BATCH 2018 TO 2023
- SATHIYAVIJAYANAGARAM, THIRUVANAMALAI - BATCH 2016 TO 2021

URBAN STUDY - SRIPERUMBUDUR

The Urban Design Studio focuses on design in urban contexts at a range of scales - from neighborhood down to site - while introducing students to spatial configuration in urban environments that integrate the many cultural, spatial, architectural, and ecological issues of these places. This studio aims to further develop skills in conceptualization and visualization.

URBAN STUDIOS @ FOA

- GEORGE TOWN - 2014 TO 2019
- PARRYS - 2015 TO 2020
