A 3 day exhibition of students academic works. 13 participating colleges of architecture from across Tamilnadu present their drawings, models, sheets and designs for discussion with a larger group of fellow students and academics. The aim is to create a platform for students and teachers from across colleges to interact, learn, un-learn, observe, question and debate the various aspects of architectural education across different institutions.

The 'college-in-focus' is a 30 minute presentation by each of the 13 participating colleges, where they can share their perspectives about any aspect of their academic and pedagogical approach, studio culture, design projects, teaching methodologies etc.
